**Mega Magic Presents:
MIND KONTROL
A Night of the Unbelievable**

For Immediate Release.

June 21, 2011. Toronto ON...**Mega Magic** is ready to amaze and delight with their latest production ***Mind Kontrol***. Opening at the Al Green Theatre on October 20th, 2011, and running until October 23rd, this evening of magic & mind-reading features international award winning magician **Mike D'Urzo** doing what he does best, putting on a highly interactive show which combines a blend of comedy, magic, mentalism and psychological illusions.

Mind Kontrol goes beyond conventional magic tricks to create an atmosphere of amazement for the audience. Building on last year's sold out ***Mind Kontrol*** show, this production will feature spectacular illusions and impossibly mind-boggling magic, all done with performer Mike D'Urzo's distinctive flair and humour. The show puts twists on the classics of magic while combining mind blowing feats of mentalism. The end result is an evening of astonishment that is sure to both engage and enchant the audience.

D'Urzo, a Thornhill native, has returned to Toronto after a two-month tour across China where he awed crowds with over one hundred performances for over half a million people, proving that his magic transcends the language barrier. A member of both the Canadian Association of Magicians and the International Brotherhood of Magicians, he was recently honoured as one of three Canadian nominees for the prestigious **Entertainer of the Year** award in 2011 by the Canadian Event Industry Awards. D'Urzo has been featured on numerous television shows including the Comedy Network hit, **Keys to the VIP**, where he was voted **Champion of the Season** from viewers across the country.
