“We will truly treasure the entertaining show you gave to our staff of social workers at our retreat on Wednesday. Our year started with a lot of grief and uncertainty, but you made us laugh, affirm the life we have, and lift our mood as we start our year helping students. Initially, our staff did not know what to expect, but you won us over and you brought us on side.

Every single one of our staff had positive comments. Our supervisor said, “I can’t imagine how he does all that stuff.” Other social workers said: “The levitating flower was enchanting;” “The lemon trick was unbelievable;” and “Mike really had us going—we shouted out, we laughed, we OOed and AWed—what a fantastic show!”

Mike, thanks so much for such a positive performance, filled with tricks and treats, which was a gift of joy to us. Above all, it was your bright and warm personality that made your craft shine.
