What Applause Looks Like on Paper!

Mike's extremely charismatic personality created a great experience for all. The strolling magic tricks he performed during our cocktail/finger food time left everyone amazed and guessing "HOW HE DO THAT ONE" Mike did quite a bit of up close magic that delighted all. The show was fantastic he was clever, funny and his magic amazed us. People were all talking about the show on the Monday after the event expressing how great a time they had with Mike. Thank you so much Mike for making our Christmas party a blast.

A huge thanks to you from all of us at Schneider Electric and Aveva for your awesome energy this past Friday at our Christmas party. Your fun personality and seriously mind blowing magic made the night for all of us. You are an amazing talent – from the crowd engagement with the card tricks to the levitation and mind reading in the main show – it was all fabulous, and so much fun for all. We are still laughing (and scratching our heads). I can't tell you how many compliments we got from employees saying that they greatly enjoyed your show. You were fantastic. A few days ago, a bunch of us were trying to figure out your magic tricks. We couldn't figure it out so we decided to let you do the magic and we will stick to our day jobs.

Teresa DelleMonache (Office Manager)

Everyone loved your show that’s for sure! I got a lot of feedback and they loved the walking magic as it was close up and personal. We’re still talking about your lemon trick and how it was done....LOL

Mike came to our company holiday party as our surprise guest. Leading up to the party, I had been hearing some grumblings that staff weren't so crazy about the idea of an "in-house" event. Mike was pivotal in turning this around. He came in and immediately immersed himself in the crowd. We had hired him for his strolling show and he managed to touch base and both chat and perform a trick for everyone – all 80 of us – at least once. He was charismatic and had everyone laughing. Mike even asked if he could do a mini-show for the entire group, something over and above what we had hired him for, and it was a great add-on. Brought the whole group together. And suffice it to say, I have been hearing wonderful things from my staff. Even that this "in-house" party was the best party we have ever held!

Mike absolutely blew us away! Mike performed at our company holiday party and wowed the crowd. As the night went on each performance grew more specific and intricate. Mike was creative, enthusiastic and entertaining. He captivated the audience from start to finish and was the highlight of our night! Mike completely surpassed our expectations and made us believe in magic again!

Thank you so much for entertaining at our Charity Halloween Parties this past weekend. We thoroughly enjoyed your performance, as well as your ability to interact with the audience, and the children. Our small town's are buzzing with comments about how much they enjoyed the Magic Show. Met one of the patrons on the street and they said "I still don't know how he got that one hundred dollar bill into that lemon?" Lots of people coming up and saying how they heard the party was wonderful and the entertainment was incredible. Big City Show in a small town. Excellent. Will definitely book you again in the future. Thanks Again!

Mike did a great job at our conference. The strolling magic over lunch was a hit, His Mind Kontrol show was well received at the end of our conference. The audience participation made the show even better. I would recommend Mike D'Urzo to anyone looking for entertainment at their events.

Laurie Clayton (Executive Assistant)
International Brotherhood of Electrical Workers (IBEW Local 636)

Everyone was skeptical at first as soon as he would pull one of his card tricks he would win everyone over. Everyone was looking to see how he did things but it was so slick and unexpected that it really did come off like magic! I know I was impressed with the trick you showed me, and I heard lots of people say that they "liked the magician". All the best!

Susan Drake (Director, HR Operations)

I have now seen Mike "Mega Magic" perform at 2 events- corporate event and a neighbourhood party. At both event I was very impressed with his performance and engagement of the audience. He has charisma and charm and he is able the get the audience to laugh and enjoy the night. I have recently seen other performers at they do not have same magical tricks but more important the character and personality. Well done and great performance. I will use you again at our next event.

Everything went well, he walked in the room where our group was for cocktails and he quickly captivated them with card tricks. During the evening he had a 30 min set that again captivated the group and left us with ... unanswered questions as to How did he do that!

Maryse Gaudette (Sales Administrative Assistant)

It was great having you at our meeting on Saturday! Everyone had amazing energy and all I heard were good things about the show. We are all still mystified with everything that you did. Keeps everyone guessing and the interaction with bringing the crowd up made it an overall great night. Good luck with the next group in the upcoming weeks.

Nina te Boekhorst (Product Manager- Trauma)

We have found out about Mike and his Mega Magic show from the Event Source website. I simply knew nothing about his shows but relied on his amazing reviews. We had our Christmas Party for about 90 people and Mike made our event unforgettable for everyone who was there. The performance itself, the atmosphere – everything was 5 stars out of 5 stars! I would like to add that I have recently been to Illusionists show and concluded that it is pretty hard to perform good magic tricks since not everybody is capable to be awesome at what they do (except Mike!). I would highly recommend Mike D’Urzo and his show to anybody from all of our company’s employees.

Nadia Chentsova (Director)

Thanks so much, Mike! We really appreciate you coming down and performing – it was definitely something that the team wasn’t expecting but completely brightened up their evening even more. Hopefully we’ll touch base again soon!

Deborah Rotim (Executive Assistant)

Mike has been so great to work with. I recently hired him for two very different events, one a large corporate kids event, and the other an adult cocktail party. He was able to read the crowd flawlessly and cater to the audiences to make it an intriguing and exciting experience for all. He worked with our quick timelines for booking and was always ready to go well before his start time which is an event planners dream!

Amanda Watson (Manager, Events)
McCarthy Tétrault LLP

We had great feedback about your humour and enthusiasm, and I can tell from the expression on my colleague's face who you did the card tricks for that he was pretty impressed, and he's a pretty tough critic! I thought the intro show was a great way to get the audience going too, so thanks so much for pulling that together at the last minute!

Esther Astroff (HR Generalist)

Thank you so much for participating in our McCarthy Tétrault Family movie day. The addition of a performance this year really enhanced our event. Your magic was truly amazing; everyone was talking about you after the show. We discussed how you did it, but no one had an explanation other than....it was magic.

Too bad we ‘underutilized’ you; anyway, the time was simply too short.

Juergen Moeglich (Business Development Manager)

Thank you so much for performing at our Award Gala! The show you put on the stage definitely highlighted the whole event. We really appreciate it.

Some of the comments I heard from my colleagues and guests are as following:

Mike is so great. How could he read people's mind? It is so creepy! When the whole stage went dark, Mike looked so mysterious. This is the first time I was so close to a magician, and such a great magician.

We wish Mike could stay longer and preform more.

....

Let's keep in touch. We would like to have you back at our next year's gala.

Again thank you for coming and thank you so much for the great performance!

On behalf of Sun Products we would like to thank you and your team for making our holiday luncheon one of the best ever! I have received compliments on our luncheon, but most of all on the fantastic magician. The strolling event had everyone involved and participating and the 15 minute show at the end was a great wrap-up to the event. You were able to have everyone engaged and mesmerized by your magic. One of our Director's said he has seen many magicians trying to engage a group and they fall short. You were amazing!

Mike, when we start planning for next year, I will definitely get back in touch with you to see if we can plan something even better! It was great to work with a true professional.

Marilyn Cohen (Administrative Assistant)

It was a pleasure having you perform at our party. Everyone loved your show and is still talking about it.

Your show in Niagara is sold out! I am not surprised just sad lol. Please keep me posted on when you are performing in the area and how to get tickets. Thanks!

Mega Magic Mike performed at our corporate holiday party and was magnificent! He is extremely skilled and impressed everyone with his flawless performance, but he was also very personable and humorous. His jokes were never inappropriate and he was extremely professional. We actually ran behind schedule with our dinner, but Mike was extremely patient and let us finish our dinner, which took a lot of pressure off of me. I would highly recommend him to anyone looking for an illusionist or an amazing performance that will keep guests captivated.

Thanks again for everything.

Julie Harris (Office Manager)

Your entertainment was delightful. It was nice to welcome you to our party.

“We were looking for an entertainer for our Christmas party, and although we had not heard of, or had any recommendations from others, on Mike D’Urzo, we were wonderfully surprised by what a wonderful show he put on for our team. He had great audience involvement, and his Illusions/magic was over the top in the way of entertaining the audience. There were a whole lot of “how did he do that?” being uttered throughout the audience.

I would highly recommend Mike for any future events. We had a small intimate venue and it was all that more entertaining being up close to his magic.

Norma Jean Sittler (Managing Director)

Mike's performance for our Pan Am Ajax Volunteer Thank You Event was incredible. He had everyone amazed with his fantastic magic acts and amazing feats of mentalism. He connected on an individual level going from table to table performing card tricks and mind reading, engaging our volunteers and keeping everyone laughing in the aisles. We're still trying to figure out how he did what he did! This show was engaging with lots of audience participation, was hysterically funny, and overall, was a crowd pleaser, and our volunteers truly had a fantastic night. Thank you for being part of our celebration!

Robert Gruber (Manager, Community & Cultural Development)

It was great to see you, thank you for coming out – everyone's feedback was really positive! Your strolling magic was a fantastic ice-breaker for the evening and it set the perfect tone for the rest of the night! The magic show was an awesome ending for our corporate get-together.

Igor Kraev

Mike performed at our head office in Toronto and was incredible! The response to his show was overwhelming and feedback has been extremely positive. Mike wowed the audience here with some strolling magic and then performed a show which left the staff here in AW! Mike's ability to energize the crowd and entertain is fantastic, and his show leaves an impression on people that can't be rivaled by any other entertainment. The staff here are still talking about it! Thank you Mike D'Urzo!

Kamran Afshar (Business Development Manager, Toronto Region)

Mike performed for us at the Canadian Music Week trade show and completely wowed our guests. He attracted so many attendees to our booth, and at one point, had a group of visitors shouting from surprise! His performance is beyond explanation, and we couldn't even believe our own eyes. Not only does Mike have an outstanding performance, but he's also really great with the crowd. I recommend Mike for any and all corporate events. We will definitely be hiring him again!

We had so much fun working with you, and I especially loved the psychological explanations to your magic. It's so fascinating!

Tessie Barnett (Gig Salad)

On behalf of Stacy Wyatt and the Team at Canadian Special Events we would like to express to you a heartfelt thank you for entertaining the conference delegates at CSE Live. We love working with you, as you are a true professional and wonderful person in addition to being a talented and witty entertainer. The audience was impressed by your sense of humor, nimble slight of hand and jaw-dropping prestidigitation during your performance. Having great performers such as yourself makes a difference in the energy of an event and it is a joy to work with people who enjoy their craft and have honed their skill to world-class levels.

Sara Roxburgh (Senior Communications and Events Manager)
Canadian Special Events

For our special client event, we were completely satisfied with the program for 22 people in a quality location. While the room situation was not conducive to allow more advanced magical tricks, Mike's logistical adaptation and friendly "Canadian-style" interaction with my group of doctors and their wives completely won them over, and helped set a positive atmosphere for the more serious program that was to come. We got comedy without the farce. As far as I am concerned, if the guests were very happy, I am very happy. Mike is definitely a very safe choice for a critically important small event for a group of mature adults.

Paul Byron Hill (President | Certified Financial Planner)

For the second year in a row, Mike D'Urzo, of Mega Magic was the featured entertainment at our Xmas Party and he was absolutely terrific! After "floating" a big box containing his beautiful assistant around the room (he turned her into a live snake... cool or what!) Mike turned to amazing feats of mind reading, card trickery and extraordinary magic!! (How'd he do that!! we all kept saying). Mike kept our crowd agog... what a great performer!

It was a real pleasure meeting you. Thank you for performing a wonderful show. We really enjoyed it very much. It's really hard to say what was my favourite part as all of it was phenomenal, but I have to say the ending was awesome. I'm not sure what to say besides it was mind-boggling and AWESOME! How do you do it? We will definitely be calling you for our next party. Please don't retire anytime soon. We are looking forward to building a long relationship between Peel Financial and Mega Magic. Also, please let me know if you have any upcoming shows, I would really like to buy tickets. Thank you so much once again.

On behalf of the Drumbo Lions and the community at large in Drumbo, we all want to say thank you for a great and unforgettable show. The highlights of the show were when you mingled with the guests before the big show. Also the volunteers that you had asked to participate in the show were thrilled to be a part of the event.

The volunteers are still very quiet as to what they saw and what they won't say or speak of any of the instructions that you might have given them. So your captivating spell on the residents of Drumbo will be long remembered.

You guys made me look like a rock star! I am so appreciative to you and your team for an amazing evening of entertainment. Your guys were so fun and awesome! Lots of comments on you and Hector – folks really found you two a lot of fun. And Leon, people thought he was fantastic!

I've had a lot of people ask me who provided the entertainment for the evening and I'm happy to pass along your contact information and of course, the accolades you deserve.

Please stay in touch, I would love to know what's going on in your magical world! Can't wait 'til an opportunity arises where I can use Mega Magic again!

It was such a pleasure to have you at our event. You kept our attendees entertained and engaged, and I also loved the humour in your performance! Even with such a diverse crowd – including guests for whom English is a second language – you were able to delight and surprise everyone. With so many moving parts involved in organizing a meeting of this scale, it was nice to not have to worry about the entertainment. You're a consummate professional!

Thank you for being so easy to work with, and above all else, so much fun to have at our reception! I would absolutely recommend you to anyone who is looking for an entertainment professional, and I hope we have the opportunity to work together again. Thanks again for everything!

Joanna Bieda (Marketing Manager)

I booked Mike for a corporate event. The audience was fairly quiet at the beginning, but Mike was great at getting people involved and excited without being cheesy. The performance was high quality and well-executed. A couple of the tricks were jaw droppers! Finally, Mike was highly professional and great from start to finish. I plan on booking him again for events in the future.

Warning...hiring Mike D'Urzo is bad for office productivity...

We had Mike perform for us at our Holiday Party last night. He was fabulous. My appreciation of Mike starts with his professional approach in planning his work to ensure clarity on the program and answering all questions we had.

Mike started the evening with wandering magic during our reception that had every one talking about 'that guy'. A terrific start!

We had a relatively large group of 230 and did not have video screens to show Mike's 'close up' work that he would normally have at his very large performances (1,000+)

Mike was excellent at roaming through the audience to keep everyone engaged to make them feel like they had a front row seat. Mike's presentation of illusions and mind bending activity was both fascinating and extremely entertaining that moved along at the perfect speed. The group thoroughly enjoyed the entire show

Oh...the poor productivity part.....my team was standing around the coffee room all morning talking about "how on earth he pulled this stuff off".

Bravo Mike...

Nice to work with a real pro who clearly enjoys his work

I would like to thank you for a truly exceptional performance. You are entertaining, charismatic and are an incredibly talented magician & mentalist. You engaged the audience with your energy throughout the performance & left them wanting more. People at the office are still buzzing about your incredible performance days later.

I would highly recommend you to anyone in search of a magician & mentalist who would like to add that 'wow factor' to their corporate event or party! Definitely a 5 star + performance!

We hired Mike for our End of Year Holiday Luncheon and we could not be more impressed with his show! From his strolling act that impressed many to his performance with his mind-blowing acts. Looking through the pictures our photographers took, there is no doubt he left our employees in awe of his tricks. Everything was well coordinated and he was a pleasure to work with. I would not hesitate to recommend him to anyone looking for excitement, mystery and laughs! Thanks again Mike!

In regards to your performance, I love your energy and charisma. I've seen your act twice now, and the second performance was just as amazing as the first. What impressed me was your ability to keep the audience engaged and attentive, despite there being a language barrier (English is a second language for most people in attendance). I really enjoy your Strolling Magic because for those small groups you perform in front of, I feel like it creates a very intimate & special environment. Hope to see you again Mike, you're the best!

Mike traveled to Ottawa for our Christmas function. Throughout the process he has been accommodating, flexible and willing to change his schedule. His walk around hour proved to be exceptional, visiting each table in turn. During the Mind Kontrol show he involved many members of the audience, his interpersonal skills are exceptional as is his show. In short well worth the expense, for an entertaining evening that does cater to all age groups. Thank you - this has been one of the best parties we have had and the feedback across the group has been outstanding!

Just wanted to tell you how much we enjoyed the show. I am glad you enjoyed interacting with our staff as well. Most comments centred around the entertainment being the "best ever". Since we have been having this party annually for over 20 years: that's really saying something. I know we are a little hard to control; we are a boisterous group but you handled it well and went with the flow. Your mingling with us before the dinner was too much fun; one table told me they were laughing so hard they were crying. Everyone was truly amazed at the magic/mind reading portion of the event; it was the highlight of the night. I would highly recommend you for any event and I am happy to provide feedback if someone wants to contact me directly.

I hired Mike on a spur of a moment decision to have a magician/speaker and found him through Gig Masters. Mike responded quickly and I picked him over the other 20 responses because of his website and because of how quickly he responded and how accommodating he was. Mike performed at our annual corporate sales kickoff meeting and was an amazing end to our meeting. I would highly recommend him for your corporate function.

On behalf of the RMA conference committee I would like to thank you for participation this year. Our conference was a success with many delegates coming from all major destinations in North America and Europe.

Thank you for an awesome year with your shows for our Pan Am volunteers and our St. Francis show.

The show was great! I brought a group of 17 to take in your mind bending tricks. I was a little worried for your safety for a few minutes when I thought poor Blake was going to wrestle you for the knife to get his \$100 back!! I'm sure no two shows are alike and this one will have some different memories.

While I only paid \$30 for my ticket, I would have gladly paid \$89.95!! Great show. My group was thoroughly entertained. Perhaps our paths will cross again.

Thank you so very much for celebrating our 160th Binbrook Fair with us at our Awards and Volunteer Appreciation Night. All week I have been having people call, email and stop me when I see them telling me what a amazing evening it was. Usually it is just another Appreciation Night with catching up with neighbours and other volunteers and everyone is gone right after. This year everyone thoroughly enjoyed themselves thanks to you and your magic. You had the entire crowd of 275 people, ranging in age from 85 years to 3 months enthralled right from the start with the card tricks during cocktail hour. My son Travis, must have watched you do the card tricks 15+ times, and wants to be your apprentice when he's older and told me for his next birthday party, you are the 1st person on the list! All 3 of my children agreed they want to come see you when you are in Niagara Falls, and they rarely agree on anything. One of our committee chairman, and a former director told me that it was the best Appreciation Night we have ever had and he has been involved with the Fair for 40+years. Thank you! Thank you! Thank you! A million times Thank you!! Your Mega Magic is Amazing!!!

THANK YOU for putting on such a wonderful show! You and your crew are super to work with! The Mount Forest Fireworks Festival is so pleased with the feedback and response. Throughout the day, I had many asking specifically where to find you and we were happy to see the park fill up (earlier than usual) in anticipation for your show. We couldn't believe how captivated the audience was- in a park full of thousands, you could hear a pin drop as they awaited what you were going to do next. Dear Mike,

Re: APCO's 25th Anniversary

Hope all is well. On behalf of the children, Board of Directors and Management at Access for Parents and Children in Ontario (APCO), I would like to take this opportunity to thank you for attending and performing at our recent 25th Anniversary celebration at The Westin Prince Toronto.

The event was a success and APCO would like to thank you for spending the evening with us. Thank you for celebrating with us!!!

There are many very positive things happening for the organization and you are a big part of making that possible. Everyone loved and enjoyed your show and gave positive feedback about your performance.

Thank you for your generous contribution and for helping to make our celebration a success! We truly appreciate all your support and we hope to see you at our future events!

Thank you again and all the best for a very enjoyable and safe summer!

Fahima Dashti (Executive Director)
Access for Parents and Children in Ontario

It was great meeting you on Sunday as well! Thank YOU so much for being part of our 'record-breaking' day for Burlington. All of the feedback we have received about your performance was so positive. What I personally saw of your illusion show was also fantastic!

Thanks again Mike for being part of this special day for the Hospital and Burlington community and we hope to have the chance to work with you again for future events.

I wanted to send along a note to say thank you for all your work coordinating the Mega Magic activity at the Unity for Autism golf tournament last week! We got great feedback about the experience (as always) and truly hope to continue working together again in the future. Together we were able to raise over \$500,000 dollars which will make a profound difference for so many organizations across our great country!

Jackie Plessl (Event Coordinator)

Paria Paramanesh
Fundraising Event

We wanted to circle back to you to say thank you so much for your support of our golf tournament and provide an update on our accomplishments.

Our event was a resounding success! Everyone loved your participation! Not only did the weather provide a gift to our sponsors on September 17th, 28 degrees and perfectly sunny, but unity in the corporate community enabled us to raise \$500,000 from a single shotgun tournament! As a result of Unity for Autism, we will be able to provide grants to many organizations across Canada for the full amount raised.

On behalf of Unity for Autism and all families affected by autism, thank you for being our hero!

Kathy Carsley, Founder and Director
Unity for Autism

I wanted to thank you for coming out to our bbq. Everyone loved you and why not. Not only is your magic amazing but you are too. The bbq would definitely not been the same without you. I'll speak with you soon.

On behalf of the staff and residents we really do appreciate you performing for our audience. It's not an easy feat to try and please both a younger and older audience at the same time, but you did it. All of your tricks were mind boggling and you were very kind/ accomodating to the staff and residents. It was a pleasure to have you here at Sunnybrook hospital and I know that the residence will be looking forward to another show from the magician.... Mike D'Urzo!

Thank you for your kind words. It was a pleasure to meet you too and thank you for performing for us on Saturday. It must have been great a great performance as everyone kept talking about your magic afterwards. They all had their own theory for each of your magic. You should have been there to talk to them as you had them totally stumped! I was very pleased and laughing!

Everyone loved your show – they talked about it after you left, the next day, and for the three of us who work together (Don, Tony and me) we are still talking about it, trying to figure out how you do what you did! That tells me that everyone was truly and deeply engaged by your show – just what I wanted! Not only are you a great magician, you are also a great entertainer, and a delight to work with. As I mentioned after your performance, I'm happy to provide a glowing reference should you need one!

We will truly treasure the entertaining show you gave to our staff of social workers at our retreat on Wednesday. Our year started with a lot of grief and uncertainty, but you made us laugh, affirm the life we have, and lift our mood as we start our year helping students. Initially, our staff did not know what to expect, but you won us over and you brought us on side.

Every single one of our staff had positive comments. Our supervisor said, “I can’t imagine how he does all that stuff.” Other social workers said: “The levitating flower was enchanting;” “The lemon trick was unbelievable;” and “Mike really had us going—we shouted out, we laughed, we OOed and AWed—what a fantastic show!”

Mike, thanks so much for such a positive performance, filled with tricks and treats, which was a gift of joy to us. Above all, it was your bright and warm personality that made your craft shine. We look forward to seeing you again soon!

Nick Sotiriou (Retreat Planner)
Toronto District School Board

Thank you again for performing at our banquet. The students and teachers absolutely LOVED the show and were talking about it for days afterwards (you made me look good for recommending you haha)! The show was engaging and interactive and the fact that you held the attention of 250 teenagers for an hour was magic in itself! Anthony and I feel lucky to have had to opportunity to see your show twice - it was fantastic both times and would be just as amazing a third or fourth time, I'm sure. Besides the magic, your sense of humour and connection with the audience is what makes your show so special!

Mike performed at our wedding party and was amazing from start to finish. He was great at communicating up to the event and when it came to the day itself, he ran everything perfectly. He then closed with a short show that took the amazement to a new level. Our guests are still talking about how incredible Mike was!!!

Mike, honestly I have NO REGRETS hiring you. Everyone enjoyed the show except those people who were miserably unable to figure out HOW you did it! Those guys are *still* fuming.

I only wish I didn't have hosting responsibilities that day because I didn't get to watch enough of your strolling magic and missed some amazing stuff I heard about afterwards. You are so warm and personable, it's impossible to resist your charms!

I just want to thank you again for the excellent performance you gave. I also wanted to thank you for being so responsive by getting back to me very quickly when I was requesting a booking.

As you know, our family gathering was for Thanksgiving and the 16 member family are aged between 9 and 70 years old and all ages in between. I am writing this to you a day after your performance and all of the family are still talking about you. Some of them are going crazy trying to figure out how you do what you do. I think if they could figure out just one of the tricks they would be satisfied, but that has not happened, at least not yet.

I must say, from watching your videos on your website and in person, the videos don't do justice to the live performance. The magic is not just in your act, but how you perform and relate to your audience (of all ages). I understand my daughter asked for some of your business cards for her and her siblings, which was very nice to hear. I am positive that you will receive opportunities from their referrals, that's how impressed they all were.

Mike, you are a real professional.

Thank you once again for a fantastic program at our son Gideon's party! I cannot tell you how many of his friend's parents have already emailed me to tell me what a fantastic time their kids had at the party. Of course you know that we personally love your shows and have had you at our home for all our three kids at various ages at least 5 or 6 times over the years. We cannot thank you enough for the fantastic show you bring, so much so that our 12 year old daughter still loves to watch and learn. You always bring something new and we should know as our kids see you each year at Centre Camp as well as at parties. Keep up the good work and we will of course at some point have you back for another celebration. Good luck this year and we will see you in the New Year at Centre Camp for sure

We would like to thank you for an outstanding performance last night. All of us really enjoyed it, your abilities are truly phenomenal! We have been to David Copperfield's show and were so disappointed by his blunt tricks, but you on the contrary impressed us with amazing magic and your sweet character. Thank you very much again and we will be happy to see you on our next occasion.

Mike, you were a pleasure to deal with! Everyone one of our guests enjoyed seeing you perform, I am still getting people calling me and commenting on the great show. I was a little nervous prior to the event how a walking magician would work and if everyone would have the opportunity to see you perform, but at the event I quickly saw how you made sure to reach each one of my guests. My husband and I want to thank you so much for adding so much fun and excitement to our party, you truly helped make it a memorable night. We look forward to using you and recommending you to others in the future.

This was the third time we had seen you perform and we must say your show just keeps on getting better and better, if that's even possible. Everyone was amazed at the depth of your magic tricks. Wanted to let you know that I showed my kids the Hotel and Lie Detector card tricks after watching your DVD one rainy spring morning. Both Kiran and Koel are now taking cards to summer camp and friends homes wowing both kids and adults alike. Fun to watch. (Koel aged 7 loves the hotel trick and story which he has tweaked!) Going to add more stuff to their repertoire soon. Cheers!

At my recent birthday, Mike stunned my adolescent nieces and nephews as well as the adults with his silky smooth magic. He was friendly and approachable and my guests were left in awe by the seemingly impossible things he was doing! Mega Magic was an invaluable addition to the evening's activities, and one that I would recommend without hesitation.

Mike performed at my daughters 6th birthday party, the kids were captivated and still (for once) and loved the show! The adults were quite amazed too... by the end of the night we were still questioning his tricks and how they were done!? Unique and entertaining show, not your typical 'magic show'! I would highly recommend this show for kids or adults! Thanks again! And have a great holiday!

As many parents know these days, putting on an unforgettable, special birthday for your child is one of those memories that lasts forever. But it's getting tough. When my daughter asked if she could have a "magic" show for her friends and family, I knew it was going to be hard to impress her guests. These days, kids can YouTube or PVR the best magicians and illusionists in the world, anytime they want. But when I heard about Mike, I knew my daughter and all her guests were in for something special. That turned out to be an understatement. We were blown away. I'm not kidding—it was like having David Copperfield, Harry Houdini and Criss Angel, wrapped into one, performing in your own house. The kids even got their own magic lesson and starter kit, while the adults are still trying to figure out how Mike did the things he performed. I highly recommend Mike to anyone who wants to wow a crowd of any age.

Thank YOU again, for an amazing performance on Saturday. It was a wonderful pleasure to meet you, and to watch you in action. Your show was the perfect type of entertainment that I had in mind for the party, and many of my family members and friends have been telling me how much they enjoyed themselves during my party. I like that you included a nice variety of illusions/"tricks" during your act. I truly appreciated your remarkable talent.

My brother Ken couldn't figure out how you accomplished the paintball gun trick (he was the volunteer firing the paintball gun), but I think I guessed your technique: it was a very smoothly polished distraction, concealment and reveal. (Was there a hidden access panel on the back or bottom side of the gun, or did you do the concealment before you closed the paintball chamber on the top of the gun, after Ken loaded his marked paintball in the chamber?). I'm guessing that the levitating table trick involved some seriously powerful magnets. I still haven't figured out the colouring picture (Phil's artwork, colouring the image of the lady with the magic markers) - another stunt using your powerfully keen sense of observation and your huge skill of reading the audience's body language?, nor the \$50 bill trick you did with Andrea, using the lemons in your briefcase (I'm thinking, that one must have been another distraction, concealment and reveal)?

Rajesh said it was well worth the fee that he paid!

Thank you for contributing your talent to make my party such a memorable occasion.

Mike D'Urzo of Mega Magic is the BEST magician by far in the GTA! His acts are incredible and completely blew us all away! We are so happy we booked him! He was the highlight of the party for all of the guests. Some of us still talk about his tricks and try to perform them. We will definitely be contacting him for our next family event! Mike is not only magical, but he is very funny and keeps everyone laughing and amazed the entire time. Thank you Mega Magic for the best show ever!

We will definitely be having you back for our upcoming events. I would highly recommend your services to all of our friends and family. Thanks!

It truly was a pleasure having you entertain our 40 guests for my wife's 50th birthday party. Having you mix & mingle throughout the room proved to be a great icebreaker and start the party off in a fantastic mood. In fact, a few friends asked how who you were; they thought you were a friend of mine just mingling with everyone! This is a testament to prove what a professional you are. Young & old were all amazed with all parts of your performance. Your ability to approach a group of skeptical strangers and in a matter of minutes turn them into smiling happy friends is remarkable.

Thanks again for making this night a very memorable one.

All our friends were very complimentary and thought that your show stood out from the other ones they had seen before...."it was on a whole different level..." they talked about the secrets of your magic for a long time after your departure. You made me look good and smart! Hope to see you again soon.

Thanks to Mike for a Mega-Magical event.

Mike's personality was just the ticket; he was friendly, confident, and responded naturally and wonderfully to our audience of teens. He came across as very current and performed with a vein of humour that perfectly suited the crowd. Any doubts the kids had that we hadn't booked a top quality magician were dispelled with Mike's first trick. The adults in the room were equally charmed throughout, and to see my family smiling at every "ta-da" moment gave me both joy and the satisfaction that booking Mike was a great choice for our event.

Now -- all that copywriting aside, Mike. I want to say that we really enjoyed it, and that your friendliness was truly refreshing, and a key part of what made the performance one to remember. You really complemented the event, and my mother-in-law and wife were both superlative afterwards in expressing their enjoyment.

I also found that you were great from the get-go of the process -- very open and responsive from day one when I first contacted you; you were welcoming and accommodating in a way that not all busy people are, so that was appreciated.

As for particulars of your show, I myself have favourites: the growing/shrinking head trick was a great mind-bender in the early going. It told me, hey, this isn't going to be your typical show. And, of course, I really enjoyed how you guessed what Holly was thinking (Leo DeCaprio) and the trick with the lemons. My mother-in-law kept talking about the paintball trick, and I just loved watching Naomi marvel at the floating table. I was just saying to my wife how nice it was (selfishly of course) that you brought the birthday girl up to participate more than once. It gave her a memorable, up-close taste that surely augmented her enchantment. So, thanks again, and I wish you continued success, a great holiday and a happy New Year. Needless to say, if I hear that anyone wants a magician, you're the one.

I wanted to tell you just how much everyone enjoyed your strolling magic and stage show. At first I must admit I was hesitant about the strolling magic fearing that the performance would be repeated on stage, but was I wrong. Firstly, all our guests could not stop talking about the strolling magic the mentalism's and illusions at such a close setting; they were left in awe. Then your stage show was a fantastic interactive show that left people astounded. Mike, you were the icing on the cake for our event. You had our guest laughing and trying to figure out your illusions. You were a hit and the talk of the evening.

Your show was truly amazing and me and my guests can't stop talking about your performance and your magic tricks even after you left :) I've heard some of them even trying to figure out how you did the tricks but ended up puzzled and still in awe. I also like your stage presence which made the show even more lively and interactive. You were able to make the audience participate and at the edge of their seats the whole time. Friends and family kept asking how much we invested to have you perform and everyone said that IT'S WORTH EVERY PENNY!!! And I agree with them. I am so happy that I got you to perform to Sofia's birthday. I will have a beautiful story to tell her how her 1st birthday party went. My only regret is not being able to record your performance as a souvenir. Again, thank you and I hope that I could still be able to watch you in the future. More power to you and to Mega Magic.

Thank you so much for performing at Parker's birthday party!!! Everyone loved you!!! Said that your tricks were very unique, very 'wow', very amazing!!! All the kids were raving about your magic after the party and into school the next day. :) One parent told me her son tried to set their playing cards on fire, while her daughter was more sedate and tried to make her Kleenex levitate and move along her arm like you! Lol! Super tricks!!!
Your mind reading games piqued everyone's interest and your jokes made us all laugh so hard. :) Your enthusiasm and laughter were contagious, you had such great positive energy... you were just so great!!! I wanted to extend my heartfelt thanks for joining us yesterday. Admittedly, we are a group of serious, curmudgeons and yet you had us laughing and feeling absolutely giddy. But most of all, we were amazed with your skill not to mention you're a really affable guy. The show left us gobsmacked.

You have a wonderful ability to connect with the audience and we were continuously amazed with the elements of surprise in the show. For the adults, we felt as if we were rediscovering the wonder that is magic. The kids were left to their devices (actual hardware) trying to figure out how you performed the tricks. No one did! What we loved most about the performance is how your work is part illusion and part psychology. It was truly amazing.

Regarding the photographs, I will ask my brother in law Danny to forward some along. He is a physician at St. Mike's but his passion is photography. I'm sure he snapped some amazing photos last night.

Again, Mike, many thanks. We've had some serious things to contend with in our family and you infused levity and laughter. Now that's a gift!

Hope you're doing well. Carleigh and I went to Oakville Little Theatre yesterday to see Famous People Players and when we were standing in the lobby there was a huge picture of you and she looks at it, wide-eyed and says "is that Magic Mike from my birthday party?" --- so although she loved her birthday parties in the summer, she's even more impressed because they were performed by a famous person!! Then we came home with a promotional card with your picture on it and a candy cane stuck to it and her brothers then commented that that was the same magician from her party - very proud!!

Everyone loved the magic show. Got a lot of positive feedback from both the school and the parents so that's great! It's fun at that age because they are so inquisitive and they want to learn about things. You teaching them those tricks really made it fun for them.

Loved the mix of comedy, illusions, and magic!

Thank you so much for doing an amazing job. Both the campers and staff had an amazing time. I know you had mentioned that you had been in the past to some of our other locations, but I will still put a buzz in their ear about how great your show is and how great you were in interacting with the kids. I will definitely love to have you again for our summer camp and will advise as soon as we have confirmed our dates. Thank you again for a wonderful show and for being so kind to our campers. Thanks again for coming to work with the kids at Magic Camp this summer!! The number one feedback comment from parents was that as soon as campers went home after a lesson with you they showed off the tricks they had learned to their parents and loved performing them! It was great that campers were given the tools to perform the tricks at home and they really looked forward to the show each week. Thanks so much for your continued commitment to Magic camp and we look forward to working with you next summer!

The kids LOVED the ENTERTAINMENT!!!!

In fact, you got most of the kids hooked on card tricks, including my son who spend the next 2 days reading a card trick book and doing tricks for our family!!! It's been amazing.

Here is the blurb for you.

"Magic Mike had the kids glued to his card tricks from the moment he walked in. He was energetic and engaging and the kids were mesmerized by all the different tricks. The workshop allowed the kids to be interactive and involved in the tricks and they got to walk away with skills to entertain their family and friends as apprentice card trick magicians. I highly recommend Magic Mike for your entertainment needs"

Got a function and you would like to add a touch of magic? Then look no further than Mega Magic! Mike and Nathaniel recently strolled around a special Friday night dinner at Beth Tikvah Synagogue providing close up magic, juggling and balancing acts worthy of any stage. All our guests, young and old alike, were thoroughly entertained and treated an unforgettable evening thanks to Mike and Nathaniel. Professional, super reliable and truly magical in every way. Mega Magic is amazing with each time they perform for us better than the last. You are truly magical and it is always a pleasure working with you.

Thanks so much for the wonderful performance at the Wrigley's 100th Anniversary Gala! Your customized show had everyone talking and the gum burning through the pack of cards was fantastic. We had representatives from all over the world that each had great things to say. How you got that \$100 signed bill in the sealed pack of Juicy Fruit is beyond me! Thanks for making this event a great success!

We just wanted to send a quick e-mail to say Thank-You for a terrific evening at your Mind Kontrol show on Saturday!! We thoroughly enjoyed your performance! Many of the effects were really superb...the paintball gun capsule caught in the teeth was masterfully done (a terrific twist on a classic – very clever!!) and the time capsule left us dumbfounded!!

The large audience reacted very well – and very energetically – throughout and we're sure that you were happy with the entire show. This must have been a great experience for you and you're probably already planning your next performance – which we would love to attend also!!

Thanks again and we hope to be in touch soon with some more bookings!!

This guy was a great entertainer. Saw him at the Sheraton in Niagara and was not disappointed. Involves the audience in all his stuff. My girlfriend Debra went on stage with him on the Floating Table trick. Freaked her out. Mike is well worth the ticket price.

We saw the show in Oakville last night and I just wanted to say it was fantastic. My 10 year old was awestruck and my two cynical teens were raving about how much they enjoyed the performance. Thanks for a great evening!

My husband and I saw Mike perform at the Sheraton on the Falls in Niagara Falls and the show was fantastic!! It was just as entertaining for the adults in the audience as the kids. The Mega Magic show was very interactive and personable - Mike connected with his audience really well. His wide range of tricks (and jokes!) made the show a lot of fun and had us wondering "wow! How did he do that?!?" the whole time. Thanks Mike for putting on such a great show! We hope to make this an annual Niagara Falls tradition.

I just wanted to take a second to thank you so much for joining us on *Canada's got Talent*! You should be very proud that you made it so far into the competition. We had over 20,000 applications from all across Canada, and of those, less than 250 were in consideration for the semi-finals! You are in the top 2% of all the acts in Canada, which is really quite an accomplishment. We're all very grateful to you for your time and commitment to this show. You were so easy to work with, and we could not have asked for a better performance! Once again, thank you so much for being a part of *Canada's got Talent*, Season 1, and we hope you'll come back to us again next year! All the best!
